TUCK'S POST CARD

CARTE POSTALE

By Appointment

(FOR ADDRESS ONLY)

Delhi Gate, Agra Fort. The Fort has a circuit of over a mile. Its walls are of red sandstone nearly 70 feet high. There are two entrances, the Delhi Gate being on the West. Crossing the drawbridge and passing under the outer and inner archways of the Delhi Gate, a somewhat steep slope leads to another gate with dome and battlements and two octagonal towers, one of which is shown in the picture.
